I Peter 1: 23-25 = 200-40:9

THE FOUNDATION FOR THE FAITH

(a) Harry Rimmer accepts an atheist's challenge to doubt the inspiration of the Bible. The debate opens with the atheist remark: "The Bible itself is not to be used. It is the subject of our investigation. Cannot prove the Bible is the Bible. must argue from evidence derived from external sources. It not refer to the contents of the Bible in such a way as to prove its inspiration." Reply: "I suppose you're outside any well-argued & genuine, in its & personal testimony. To answer, 'Believe God...' 'Bring a piece...' 'No, you cannot test a thing by the thing itself.' 'Take a piece out of your wall, assay it, then tell me if gold is that out...' 'I suppose, reason & belief as every has just put potassium cyanide in your assay bowl. Waiter & chemist, say, 'I believe an attempt to poison me...' 'Bring me the assay bowl, analyze.' 'Oh no, you cannot prove a thing by the thing itself. Take some shales from your kitchen, analyze it: 'tell me if cyanide is in your bowl.'"

Look at the Bible's stuff.

All that we know of God (of true religion) is revealed in His Book.

There is no other religion that says as a prophet, and prophesy.

 I will be as the stone & heap.
