II. The need of organized, earnest supplications.

Isaiah 64:7
One praying man stands as a majority with God.
Praying affects man - prays affects God
time - intensity

Received delay because prays decay
many of our leaders, teachers, do not pray
know no travel

Can they teach what they do not know?
Can the church give what it does not possess?
Can the church do what prays a majority would do not
mean for it - present. prays will be made, and work will be
done. prays is dead.
Spend 7 prays, it is useless?
Who would like to go to a prays meeting?
Our debt is not what is in the spirit but what is in the flesh.
1. what church asks & offers more than before
and what time is spent in prays?

III. Looking in faith to God.

God gave His only Son for sinners
to die for our iniquities - that, please
the Holy Spirit to convict the world, saving the church.
the eyes closed, iniquities & dead body.
but, what good is a dead body if the church is unevangelized?
the gift of the Holy Spirit.

9. David and Abag 7:10,11

The disaster came. David saw the nation full of wounds
and suffering. He saw the nation full of death, death to
dispirit, pain. The whole people like a valley, a mountain, a
dry house, spilling out the rest. No other can it with
intensity, impossibility.

But God is our great reward.

Call of Elijah. Called to his righteousness to overcome
