John 18:38 (19:4,6; 24:23:4,14)

The judicial conclusion of Pilate
was in favor (in favor) of Jesus.

I FIND IN HIM NO FAULT AT ALL

I. Matt. 12:10-14

First show of hostility: the Sabbath controversy
12:10 the framing of the question - repeated text to Paul's
judged correctly: (1) more right of suffering rather than his sympathy,
(2) Mt 9:36 "ye are moved with compassion? but",
(3) Mt 11:35 "ye have mercy" endeavoring now

"and I find no fault in him at all"

II. Jh. 15:1, 2

Eating with sinners
Sinners drawn to Jesus

1. Jh. 7:36-50 sinful women, weedy fruit; sinners pleasure
sent her away? don't...
2. Mt 8:1-3 leper & healed; "unclean" man & Jesus, leprosy; I say
did he play away? could he
3. Lk 5:27-32 invited with 2 others. "would you
transgress"
"hearth cut away"

"and I find no fault in him."

III. Mark 11: 15-18a

- Money changers driven out
- 1. Expected a different price for sacrificial animals
- 2. Role of exchange dishonest usurers
- 3. Emphasis on profits vs profits of Sadducees

cf. Reformation: priests selling indulgences

"And I find in this no fault at all"

IV. Mark 22: 15-40

Last public expatriation community relations

- 1. Mt. 23: 15-22 (Mt. 23: 2 probably tribute to Caesar; pay the tax?)
- but from (1) tribute paid out tribute
- (2) No tribute submission, not rebellion
- (3) Tribute? No said pay; not tribute to Caesar
- Roman legions from this policy support?
- It Caesar's dues to paid
- To Caesar not his throne
- It's soul not submission tax or made
- to serve the God above

- 2. Mt. 23: 23-33 resurrection?
- : 33 not, so dead, but, a living
- looking forward to grace, worm - no, to life

3. Mt. 23: 39-40

The great commandment
to love, of the heart, to God, to fellow man - not ritual

"And I find in this no fault at all"

V. Matt. 27: 27-44

Executed as a criminal

1. mt. 27: 40 "come down..."
do it, Fri, still terrified judgment...
then journey from the wood
no; a coff, buried, 3rd day raised

2. mt 27: 42 "As I have often, twice, at noon..."
did for us, not myself, shall no
power over his,

3. mt 27: 43 "He trusted in God... let his deliverer..."
will rest, each week, rock not
darker
God's answer to our sin

And I find no fault in him at all"

VI. II Cor. 4: 5, 6

The fault, failure, in us, not in Him

(a) City street meeting

"Why not in church?" Pandoro's by 7 travelers
Took the microphone - would answer, the preacher
the members

Discouraged, made a mistake.

Then re-thought it all: faults, failures, preacher...
but a gift yes, not a word

1. All who have studied V - his character, life, spirit
say nothing against him. Even an infidel... faint skeptic
of Judas, "I have betrayed the innocent blood."
of Paul Ingeant, Isaac Walker, "Ben Ben?"

2. No character like that of Jesus seen in Antiquity
not even in Rome. A Roman, Dante, Shakespeare
of of say the 4 Gospels are forgeries, let us try to
write a Bible

3. no fault, faultless in him
- (1) I am lost, perished in the flames of hell,
no fault in his atoning grace. The faultless in me
 - (2) I refuse to believe,
no fault in his compassionate love.
 - (3) I reject his promise
no fault in his abiding faithful presence

From all the parts, evidence go up to great affirmation
Reason
Heaven
earth
all join in that verdict of felicity. "I find no fault"
