 - doubt, doubt, doubt

II The Alternative

1. City 1:25 to his own place
we need make it for ourselves
what? how built on land, road

what is Judas going to
do, see it and then
cut it down at his feet
of soldiers cut his down, a martyr of justice

2. The Contract

(3) Simon of Cyrene, name later Matt 26:75
Judas man, small Matt 27:5 sayd they
with him - then 7 great money, but that
not yet

(1) Joseph, husband Caiaphas (Jephthah)
Joseph, Aramite

3. not say to you to Sakhari
but Judas did it. Fano draw about, some contracts
based on the city laws

but Judas took matters in his own hands
as long as a man looks within, Judas beyond his work
is now looks down a man to respect
again

salvation not by self execution
need to look away from himself, to God
not money of feathers, Judas beyond his work
it is appropriate his money

no man will say be money the Judas
but can't find salvation in himself

some of us, all of us, not had to see
can't think it with legs, Mark
not spend time or money. But in faith.

to be to miracle. II Cor. 8-10
