my commitment

7/10/69

GEOFFREY BULL, missing for 2 years, captured by the Chinese
commandos. Held prisoner for years. At 30 years of age, in military
uniform, became a very necessary, skilled water diver,
boat-works. In the midst of this, when suffering, I must, truly, do more:

Let not Thy face grow dim,
dear God,
No sense of Thee depart,
Let not the memory of
Thy wad
Burn low within my heart.

Let not my spirit, God,
grow numb,

Through loneliness or fears,
Let not ^{my} heart to doubt
succumb
and keep my eye from tears.

Let not the distance come between
As months and years increase,
Let not the darkness close me in,
Let me not lose Thy grace.

Let not the pressure of the foe
Crush out my love for Thee,
Let not the tiredness and the wear
Eclipse Thy victory.

For Thy joy is my joy
And my hope, Thy day,
And Thy Kingdom, gracious God,
Shall never pass away.
