Rom 5: 1

Let Us Have Peace With God.

ἔχωμεν, present indication. To the Romans, his grace.

ἔχωμεν, present, volitive subjunctive. In. Resolution.

"let us have peace" of Matt. 21:38 "let us get here of his is distant."

"let us enjoy peace, retain peace!" of Acts 9:31 the church "enjoy & peace."

Having received salvation, let us not be miserable before the about it, full of doubts, questions, hesitations. But let us go on, keeping on, enjoying peace.

of Heb. 6:1-3.

of the Billy Graham repetition. "not sure" had assurance of the Lord. One children. Baptized but not sure saved.

Trusting saves us. May be a weak, & insecure trust, may be a bold trust, but trusting does it. Does it completely. No such thing as being partly saved, partly lost.
 "justified" "dead" "condemned."

just two states: lost, saved. If saved, saved forever. But is it. Safe, saved because God says so.

1. of 12. The awful night. Markete saved by the blood alone, "under the blood." Not by his thoughts about it - they might be deep or shallow: not when you see the blood but when I see the blood.
 Some: "I am so scared"
 Some: "I am so weary"
 Some: "will it work?"

Peace with God

Romans 5:1

"εἰς ἡμᾶς ἦν ἡ εἰρήνη"

present active subjunctive, linear action

present active subjunctive, 7th Greek perfect and the 1st form which was the Greek standard perfect created.

Scholar around to compare with Mt. American Bible version Colossians 1:11 must experiment on Rom. 5:1

The mode is volitive subjunctive and the present tense of present linear action and so does not mean "made peace", but "let us enjoy peace".
A good example is Matt. 21:38 εἰς ἡμᾶς. "Let us get hold of his inheritance."
Here εἰς ἡμᾶς means "let us enjoy peace" or "let us retain peace with God" of Acts 9:31 the church "enjoyed peace" not "made peace".

Having received salvation, let us not be at loggerheads with God about it, questioning, doubting, hesitating. Best of all, keep on, enjoying peace.

Trust in grace. A timorous trust. A bold trust. An unwavering trust. But trust in my airplane. The man correctly told just try to Chicago. First time came down to land, circles stopped, my left wing went down - I nearly died.
Both are only words. Best - difference is peace.

During these terrific and terrible times, to have your work is a vast contribution to our lives. Some things settled. Whatever the outside, falling roofs, land at all from the sky, regardless, then things about. Swiftly aligned between God and me.

Our salvation. Assured, so we can rest. Enjoy it.

The word of God. You must be born again. Convinced. Regenerated. A new nature. Fuller human nature, when under terror emphasizing the ~~fact~~ for the same thing. It was not in awful times; you are unprepared - but into a better state by all means. Just better, pray Satan has mislead. to say. better. do better. Become this and reform your life and God will have mercy upon you. But grace says, "Behold, God is my salvation." Isa. 12:2. X light up p. 3.

When you look to your repentance, resolutions, reformation, praying, or anything of yours as forming any reason why you should be pardoned, accepted, saved - you have come die miserably. Just trying, may be. Talked with dying man: "Not so bad. Never killed my body, but I got debts...."

But when you look to Jesus, the Son of God, and keep on looking, you will soon find peace. Despair of self - shut up to Jesus only. Nothing can do me good but personal contact with Jesus only, the living person of Jesus. Look out systems, creeds, doctrines, duties, may be all well in their place, but if I cannot look to Jesus, keep on looking. Mind off self, world. [of this world, really or water]

2) The work of Christ and the work of the Holy Spirit.

"The work of X for us is absolutely and eternally complete. Jn. 19:30; 17:4 The blood... No power or energy of the H.S. can cancel sin. The blood does that. An eternal reality"

2) The work of the H.S. is is is many. the works. A new nature. A new creature. All the X's grace. Dea. J. Service Gal. 5:22

you have to be born again - but never said "let yourself born again." Looking unto Jesus, by faith, trust, commitment, acceptance Rom. 3:22. Jn. 3. H.S. does a work inside.

To have grace, joy, rely upon Christ Jesus. Look to him. A.J.

of religion

Nothing religion (trust) X quite another thing. Don't understand change. But you get it, not of blood. God of joy, Satan says, you are lost. Min. No, my spiritual father. I found to you to be born again. God of joy, it may be a vision. An angel. End of way, Satan, "you are mine, lost." No, am not. "Red" (1st expl. to divine you.)

God has given me something more dependable than angels, feelings. Jn. 5:13; Gal 20:43 22

The preacher. Belies nothing. But I know the true Jesus is all right. "I never, all said of things to do you." "Myself. Inside me."
