III The Wedding Supper. <sup>Revelation. 19:17.</sup>

The wedding is the thing; the feast is another.  
The bride and the guests are clearly distinguished: the bride is used.  
the angels are spectators

The angel directs John to write: "Blessed... called to wedding supper" of all  
the saved above the bride, would have said: "Blessed... for the wife of the Lamb"  
the bridehood (the wedding supper) much wider than that of being the bride.  
of Matt. 25: 1-13 parable of 10 virgins. Friends of the bride, given, going into the  
wedding. But where is the bride? She already with her, in the Father's  
house, awaiting his coming to this world. They (the friends) wait to go with her  
with him (his) into his kingdom. They (the friends) wait to go with her  
of Rev. 22: 9/10 the whole city called to drink by invitation is closed, outside, all  
that belong to her, her residence, students, ministers, magistrates, magistrates who share her  
young and old who are not the bride herself.  
E. Is. 45: 14, 10; Song 7 Solomon 6: 8, 9

So, at the wedding supper: The Bridegroom: Christ  
The Church: the church  
The Guests: the OT saints

E. John 3: 37. John the Baptist, one of the OT saints, dies before the cross  
calls himself a friend, the evangelist. Jesus said of him and the disciples:  
Matt. 11: 11. In priority, the church, the bride, the least guests.  
But lest they they departed too much, 19: 9 a special blessing for them.  
may be, John the Baptist comes in as the most honored guest. Then say we  
others who regard it as his day, since it is now Jesus. The first  
years... Special blessing for the saints of the OT dispensation. :16  
14: 11: 40

Of that supper, wedding feast, the Scriptures as well say.  
1st. 25: 6-10; 26: 1-4, 19  
2nd. 26: 27 of wedding in  
3rd. 22: 16 parousia.  
large, table, which never tired before.  
of Malchisedek, the former research, a  
heavenly banquet. One day supper a  
without paying no forfeits.
