THE MILLENNIAL TEMPLE

The climax of the long book of prophecy. Not a temple itself.
Most important spiritual the gateway. Name to be used in temple.

Before the Six Day War was fought in
June, 1967,

on May 21, 1967 the Washington
Post ran this quarter-page
advertisement:

To persons of the Jewish
Faith all Over the World:
A project to rebuild the Temple of
God in Israel is now being
started. With divine guidance
and help, the Temple will be
completed. It will signal a
new era in Judaism. Jews
will be inspired to conduct
themselves in such a way that
our Maker will see fit to
pay us a visit here on earth.
Executive talent, administrators,
and workers on all levels are
needed. God will show those
desiring to participate a
lot more was given.

21 Always the thought of the Temple.
After the Six-Day War in 1967,
speculation immediately arose after
the Nazis seized Jerusalem, was the
possibility of rebuilding the Temple.
Time magazine devoted a
page to the possibility.

31 This July 1985 made article
in National Geographic.

41 Rabbi Shalom Chaim AVINEA:

"We should never forget that the supreme purpose of the mitzvot of the state is the building of the Temple."

In Israel today Jews are learning the Temple rituals and studying the manufacture of priestly garments.

In Jerusalem, YESHIVA HACHOHANIM trains young Jews for the priesthood in a 15 year course that includes animal sacrifices. Because the only place to sacrifice is the Temple, and because the only place the Temple can be erected is on the Mount, where the Dome of the Rock Mosque is, all time and energy are focusing for the final confrontation that leads to the Third World War and the final Tribulation.

5

March, 1983, dozens of Jews were arrested for trying to blow up the Dome of the Rock.

January, 1984, Israeli security thwarted an assault on the Mount, including a plot to blow up the Mosque.

One of the arrested men sought to steal an F-16 bomber to blast the Mosque of the Mount.

The Muslim Supreme Council warned: "If the attempted explosion had succeeded, all Arab countries would have immediately launched a jihad (holy war) against Israel, which is what some of the Jews want. If they obstruct the Mosque, the Muslims would wage such a vicious jihad that the Messiah would come to save his people from destruction."
