- Assurbanipal 669-626

During the time of Sennacherib, Murodad, Baladan
the Chaldean became a great state to Assyria, and
its neighbor was Babylon. This time he gained power,
this period being 712 BC. For 70 years he plotted
against Assyria.

His embassy in 704 BC to Assyria (A.K. 20:12

In order to induce him to revolt against Assyria, which
would help his campaign.

Finally Sennacherib in 690, after repeated urging
Bab. of the aspirations, Murodad-Baladan, endeavored
to obtain Babylonian help. One (the oldest king) Assyria.

Wanted to make an alliance with Chaldea, however. City captured 690 BC
after a desperate siege. Completely destroyed. Heavy booty taken mostly
from the temples & palaces, including the people. People's lives
were spared, but the king was slain. The king's
body was buried in a tomb near the city.

Babylon to Rise

BEIRUT, Lebanon (AP) —
Iraq announced a \$30 million
plan to rebuild according to its
"original architectural de-
signs," the ancient city of Ba-
bylon whose great walls and
hanging gardens were among
the seven wonders of the
world.

ISAIAH 13:20

III. Veloz has always, built the golden city
Jesus said he'd developed it 100 years before. Kela said it
to make it a grander it in the novel. In detail,
the early years prior to now. Now let's build. Congrat all.
Now, to build. An air defate job builder.
