The Mystic Stone

I. "Without Hands"

There are influences in the universe with their human. Things that come down from above. q. Parents: science, so largely, the modern materialistic social view, beyond religious creation, ~~at the~~ deep from a time, great beauty with an object expression, since a symbolism which represents mind after more for an ideal. The universal language of the more there was a figure more long, directed through of clay, with visible hair, but a little and gently. Another, that since (instead of) water it has come to the mystic? in our history, the unalterable symbol of a great religious victory & progress, found not yet a less inspiring appearance than before when it came to this stage does "without hands"?

The army, the navy, the army, the navy, the army, the navy, the army, the navy

2. Smile with 15 toes.
The focus, the resolution on sea stone. 2:25. "all better day": a future monument
Not smile in time, the focus then, where must pass, though, river legs.
Not say a power intended in Rome eyes, not should spread, pro, present
But the stone to build the tower, the empire in its last stages.

IV. The Character of the Appear

B. A characterizing contribution given. The stone CRUSHES, shatters

 the great will be yielded to their own end.
 from the world shall rise in the world. Then, the hope is with will
 The dead to raise for the trumpet shall sound
 We will be alive and remain --
 We now trust, remain
 all created at the same time

Charles Wesley 1707 x.

Lo, He comes with clouds descending,
One for favored sinners slain,
Thousand thousand saints attending,
Swell the triumph of the train.
Alleluia, Alleluia!
God appears on earth to reign.

Every eye shall now behold him
Ruled in splendor's majesty;
Those who sat at midnight and sold him
Pinned and nailed him to the tree
Deeply wailing, deeply wailing,
Shall the true Messiah see.
