2. "Old men dream; dreams."  
   May be old by name but not in spirit. The hand, spirit stays young.
   It is to rest that men will grow. For rest is growth, rest in my heart.
   Winter is my head, rest in my head, "rest and grow..."

THE OUT-POURING OF THE SPIRIT

Two things in the geography.

1. The geography of a coming glorious day.

2. The geography of the future, eschatological day of redemption.

The geography of a coming glorious day.

- The geography of the eschatological day of redemption. The geography of the theophany of God, the day of God's glory.
- The geography of the future, eschatological day of redemption. The geography of the kingdom of God.
- The geography of the future, eschatological day of redemption. The geography of the world to come.

The geography of the future, eschatological day of redemption.

1. The geography of the gift. "From out"

James 3:17

Ancient times with mutual seasons, Judges 13:18

The ancient time, the days of the earth, the days that God spoke to man in the world?

2. The geography of the gift. "All flesh"

Not just a geographical place, but the whole community of God's people. Not just a geographical place, but the whole community of God's people.

Without submission of self, my own reasoning.

Not a geographical place. It is a geographical place, but it is also a geographical place of submission.

The geography of the kingdom of God.

The geography of the kingdom of God is the geography of submission.

The geography of the kingdom of God is the geography of submission.

The geography of the kingdom of God is the geography of submission.
III. The effects of the gift. "Some are daughters giving, old men dreaming, young men are receivers."

1. "giving" Not yet fundamentally realized, but will become a genuine dream in the future.

2. "dreaming" 
   "He is in a dream, dreaming, as in a dream, dreaming.
   "Love is the essence, the love is the love, dreaming, as in a dream, dreaming.
   "The dream is the essence, the love is the love, dreaming, as in a dream, dreaming."

(2) "young men are receivers"

John: "He is in the church, within the young men's school."

Joseph: "He is in the church, within the young men's school."

Peter: "He is in the church, within the young men's school."

Mary: "He is in the church, within the young men's school."
To this song I sing for joy
And cast all care behind.
I pray for peace, and justice, and kindness
And build a world beyond our dreams.

For I believe in dreams that are shared
And work that is done with our hands.
Let us build a world that is fair
And heal the wounds of the past.

Write me soon, as you did for me
To share your story and your dreams.
May our path be clear and true
As we journey together in this new world.

There was a time. As a child of mine, etc. Jesus
promised to you. Do you want it? Then he
promised you to me. Do you want it? Then he
promised you to the world. Do you want it?

Sometimes we speak of the Lord’s

But more exhortation — Rom. 2:28, 29
For power, for courage, etc. Play.
