Gen. 1:1

Subject: Unix in Process for Creation

for Evolution
National attention was drawn in landmark cases such as Edwards v. Harris and Lee v. Weisman. Federal courts ruled that public schools could not target the creation of a public school alongside evolution.

The Bible is never clear on a specific date or a revelation that disproves the creation principle. When you ask about creation, there are many historical accounts throughout the Bible. I've seen.

Please excuse my earlier statements about creation. I've been very busy with some other work.
“Thou, even thou, art Lord alone: thou hast made heaven, the heaven of heavens, with all their host, the earth, and all that is therein, and thou preservest them all; and the host of heaven vest them all; and the host of heaven worshippeth thee” (Neh. 9:6).

Thus saith the Lord, thy redeemer, and he that formed thee from the womb,

I am the Lord that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself” (Isa. 44:24).

“Ah Lord God! Behold, thou hast made the heaven and the earth by thy great power and outstretched arm, and there is nothing too hard for thee” (Jer. 32:17).

We should turn from these vanities unto the living God, which made heaven, and earth, and the sea, and all things that are therein” (Acts 14:15).

Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands” (Heb. 1:10).

Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created” (Rev. 4:11).

For a wider survey, see 1 Chronicles 16:25-28; Job 38-41; Psalms 33:6, 148:3-5; Proverbs 3:18; Amos 4:13; Jonah 1:9; Zechariah 12:1; Romans 9:20; and Revelation 14:11.

The whole of Scripture points to a Person, not a process.”
"All things were made by him: and without him was not any thing made that was made" (John 1:3).

"For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him" (Col. 1:16).

"God... hath in these last days spoken unto us by his Son, whom he hath appointed heir of all things, by whom also he made the worlds" (Heb. 1:2).
8. Therefore, it is clear that we should allow
the rules to serve our interests.

...
1. Jesus' miracles, as the Jewish people foresaw, occurred apart from a process, from a time period. So all the miracles by themselves.

2. In Scripture, resurrection is mentioned mostly in connection with the world. But, we note that in the final age, as judged, our Father God created this present world.

So did He the world. 2 Peter 3:10-13

So the reason He made these bodies.

Deut. 32:27, 28

3. The Son, through the resurrection, "... came in..."
My niece came home from college one day and said to me, "My professor said that the first germ came on a meteor!" I said, "Honey, don't you know a meteor is a blazing ball of fire? How would a germ live in that?"

But she said, "The theory of evolution is the only sane explanation." That's the most insane thing I've ever heard! To be an evolutionist you'd have to switch your brain out of reason and throw it into neutral. Listen to what they say.

Way back yonder sometime, somewhere, somehow, nobody knows when, how, where, or why, nothing got in nothing and nothing formed a something. A germ got in the water somehow. Then the water developed it into a tadpole and one day the tadpole swam to another bank and got stuck in the mud and dried there. Wriggling around in the mud, he formed warts on his belly that later became legs. After he developed legs he was climbing through the trees one day when his foot slipped. As he fell he wrapped his tail around a limb. The jar of it broke off his tail. He hit the ground, stood up on his hind feet, walked across the street, bought him a suit of clothes, went to teaching in the university, and said, "Thank God, I'm a man at last!" They can cram that-down-the-neck-of-some-kids, but let-them-try the old man once!

Everything that is, had to have a beginning, except God. He is the beginning of beginnings.

- Evangelist B.R. Lakin went to be with the Lord March 15, 1984. This is an excerpt from his famous sermon on God's Creation.
FACTS

1. In geology, the fossil record shows an abrupt appearance of all kinds of life in an ancient fossil record.

2. There is a mathematical probability that life evolved from dead, non-living matter.

3. There is no real mind, consciousness, or personal identity. There is existence without awareness, or awareness without existence.

4. What we are is always changing within a species. The gaps between species are now bridged. There are new transitional forms: new species, half-entities, and hybrid organisms.
5. There is no evolution today, there was none yesterday or anytime.

6. All real change tends to 

mi the opposite direction evolution. Tends to constant "degradation".

A series tend to go from organization to disorganization from life to death, from the simple to the more complex.

This is the 3rd law of thermodynamics: that all organization tends to disorganization, i.e. entropy.

7. I can dream my way to it.
8. I can plan my way to it.
9. I can sketch it to it, but can't draw it.
7. The peculiar humanistic evolution must face a fact that culturally men lead men and culturally, but a few thousand years, yet, historically, if has been working, leading an millennium or millennium. Why is there not gap between body and culture?
Applying to me
the evolution says:
we can not fall; nor am
stumbling agreed. Hence then,
we entered out by note
myth brings - myself, Cézanne.

Need see Säynä, statement.

Hitty Lenier.
