THE BLOOD OF CHRIST BRINGS TO US:

I. Redeeming ^{GRACE} ~~power~~

~~Mat 2:13~~ ~~but released us from the law, the law~~
The law, this is our law

But useless failure. Under the old.
One hundred efforts; must buy another
A dead effort the way; another in the way
The light point within the veil; but must go again. How finished. Mat 3:13

Rom. 10:4 '8 is the end; the law for righteousness to us is not about Mat 3:13
We were slaves to the tyrant; he paid the ransom price.
The judgment, the law & demands were: we shall be made to know what
the things have done, the light of the way. We shall see the law as it is
and, not, come with the way and. One thing is clear, our
point within the veil, a picture, a picture, a picture.

This redemption is kind, not with irresistible things, or silver, gold:
can redeem many things: ^{gold, silver} precious articles but not dearest only
mortgage, lives, but not needed lives

can buy, secure, farms, mines, properties, farms: but not charite, virtue
judgment, law, grace.
Buy corruptible, can purchase only corruptible things. As you cannot
measure him by the yard, weight spirit by the pound, so you cannot
redeem you and with corruptible things.

Silver, you not legal tender in heaven.
Money says, 'with money buy, sell, gain...'
Lives say, 'with out money - without price'
Grace says, 'By my wrath, gain'
Love, 'By my grace'

Not our - ^{the man looks at 8:32} ^{that is the} ^{the man looks at 8:32}
But a fact that: ^{the man looks at 8:32}
How it had for had not, friend work, optional into out
only the blood. ^{How you see the blood? will you see you?}
^{How you see the blood? will you see you?}
Are you washed in the blood, the fact?

Not merely reform, revolution, fidelity, mind uplift, so want,
truth, kindness. Under Paul, intentions, in time it is itself.
'What can we do any of us?
Notly but the work of you'
'On day is little or only less
Than you had no rightness.'
'Just as I am without the plea
That all the world are one to me'

II FORGIVENESS OF A SIN

God speaks the words into existence, by fiat. But he redeems - the life, the soul

Only by the shedding of blood, the remission of our sins.

Not by his birth, virgin & incarnation, did he redeem us.

Not by his death, agony, pain, ...

... nor by his resurrection, ...

Only by the blood.

Not as a way to inspire us or to do

... a lesson to teach ...

... but I Th. 1:20 determined in unity, heaven

... declared at Jerusalem, ...

By his blood he redeemed us from all unrighteousness. Gal 3:13

... justified us before God Rom 5:9

... purchased his church Acts 20:28

... gave himself for the church, his body

... to cleanse it by the word of water

... with the word of the cross, ...

... to purify to himself a peculiar people

... zealous of good works. Eph 5:25-27

... that he might present to himself the church

... as a radiant church, without stain or wrinkle

... or anything of the kind, ...

... that he might present to himself the church

... as a radiant church, without stain or wrinkle

... or anything of the kind, ...

... that he might present to himself the church

... as a radiant church, without stain or wrinkle

... or anything of the kind, ...

... that he might present to himself the church

... as a radiant church, without stain or wrinkle

... or anything of the kind, ...

... that he might present to himself the church

... as a radiant church, without stain or wrinkle
