THE PURPOSE OF THE LAW

The purpose of the law is to bring about the kingdom of God on earth. It is not a means to an end, but an end in itself. The law is the will of God, and it is our duty to obey it. The law is the standard of our conduct, and it is the measure of our righteousness. The law is the light of our path, and it is the guide of our feet. The law is the life of our souls, and it is the joy of our hearts. The law is the power of our strength, and it is the wisdom of our minds. The law is the love of our neighbors, and it is the peace of our world. The law is the glory of our God, and it is the honor of our race. The law is the truth of our lives, and it is the reality of our existence. The law is the foundation of our faith, and it is the cornerstone of our hope. The law is the pillar of our church, and it is the rock of our salvation. The law is the sword of our justice, and it is the shield of our defense. The law is the banner of our freedom, and it is the flag of our liberation. The law is the voice of our conscience, and it is the echo of our heart. The law is the breath of our spirit, and it is the life of our soul. The law is the light of our world, and it is the glory of our God. The law is the power of our strength, and it is the wisdom of our minds. The law is the love of our neighbors, and it is the peace of our world. The law is the glory of our God, and it is the honor of our race. The law is the truth of our lives, and it is the reality of our existence. The law is the foundation of our faith, and it is the cornerstone of our hope. The law is the pillar of our church, and it is the rock of our salvation. The law is the sword of our justice, and it is the shield of our defense. The law is the banner of our freedom, and it is the flag of our liberation.
