REMEMBERING GOD

2. Ch. 12 = a conclusion, a statement by King Solomon
calls himself "Hohli" - on other occasions others, as in assembly
- to build him, followed by Joseph's "Hohli"
"Elders", "Wise"

- (1) "now" word of activity
2. The unusual thing Hohli did in human experience -
carried every possibility to its utmost extremity:
saw every cup - wrote a label upon it
saw every man - checked every course possible
1:10 made wisdom to its utmost; then the glory
2:1 "pleasure" (3) "Bened"
2:2 mind, pleasure ...
2:3 and ... ridicule
2:4 great words ...
2:7 possessions ...
2:9 of success, fame, power, wealth ...

3. Every word used, here, used to its utmost, some outgrown
of inbuilt word of joy - abandoned
every word of joy, amusement - outgrown
youth word of pleasure, pleasure - pleasure
man's word of achievement, science, power - ill
- explain a wonder. But to a few men,
in the air - no habit of pleasure -
is hostile, and strongly able
- to the man, man, justice; some fallen
- miracle of science, TV; common place
society

4. But the quest did not ultimately end in bitterness
it led him to a joy, greatly won before King
Della is God.

I have learned that the [Explanation] of the [Zohar] cannot be found in itself, but must be discovered from above, from a light that comes from above
 2:26:3111

1. Can light mean? not by the image of what you see or speculate, rationalization, but by the light, the revelation of the soul, without the light of the soul, cannot see it not in the world, but from a light for us and others can't truly see from without itself
 ... the soul ... the light
 ... body ... breath
2. Sometimes think we can: that will not
 ... deep desire
 ... close to the soul
 ... make death the final goal
 ... the great globe darkened into a learned man
3. We need the light, ^{of} ~~the~~ ^{the} ~~light~~ ^{light} to show us the way, ^{to} ~~show~~ ^{show} us the way

The I have learned that a Power from above fulfills the desires, destinies of man
 12:1 "Creator"

1. Within limits we can do things and the limits are narrow, not all set by overpopulation hands
2. Amputation is which bone of hand, which finger, which thumb
 2. Body: eyes, brain, bone structure
