"I go to God's house
and find no God. I
do not hear His voice
in song or sermon.

His grip is not in the
hand of fellowship. I

hear no yearning for

the lost in the message

of the preacher, nor do I

see it in the faces of

the people. There is no

God in the temple where
my people worship."

Acts 1:14

THE PRE-PENTECOSTAL CHURCH
THE SOUL-WINNING CHURCH

(a) "I go to God's house and find no God. I do not hear his voice in song or sermon. His gift is not in the hand of fellowship. I hear no yearnings for the lost in the message of the preacher nor see it in the face of the people. There is not God in the temple where my people worship."

I The Atmosphere, Spiritual Temperature, of the Church
"God is with you" "God is there." The moving breeze "felt..."

of these hours, paralyzing winter storms.
If the spiritual mercury is low, God's engine is bored, traffic of the kingdom runs slow. When the rains are down and broken, heat, power cut off, city in darkness, machinery silent in the factories, wheels no longer move, turn.

Refrigerators may for a while preserve things already dead. They do not preserve life. They discourage growth. Fruit is worthless if life germinates. Eggs will not hatch in a refrigerator but only under the warm wing of a mother hen or in an incubator. Rose shrubs will not bloom until bathed by the warm breath of the living spring.

In the warmth of the church, bathed in the tears and blood of the work of the congregation, souls are saved, born again, into the kingdom of God. A dead mother cannot give birth to a live child. When no holy fire burns in the furnace of the soul, no warmth flows to the temple of man, where the cry of the heart is not heard, where the agony of Calvary resounds not, where no burden for the erring, no opening over sinners, then the houses of his temple, seats are empty, no souls are saved, no address for & invited.

The difference between the iceberg and the iceberg and the iceberg of the ocean that can be seen is temperature. God sent to his people a description of the darkest phases of spiritual power. A fire. A burning.

II First, Combustibles For Building Fires For God What is needed

1. ~~Love~~

Love For Christ

John 21:15 the great first question, three repeated
His position focal, central. Built upon X, around X. Enthroned. His word
our law, his love our motivation.
(a) The college youth, no critical, realizing, saw his little wiggle under lowered
in 2 years. Love to the minister: "I request" around the assembly, hope, "that would be
(b) His lambs, his sheep, Fire of sheep." "If I want will
with a had."

Love for those that are lost

The seeing - not in the service, song, service. Soul hungry to see the
lost saved. The first little boys - a group of baptized believers
going with Jesus after the lost. The spirit of evangelism, soul-saving,
should meet the church for a foundation to attempt.

Not catalogue sinners as in past efforts, untrained, wandering,
alcoholics, robbers, gamblers, where money - but just one list, just
my lost soul in that list, make "lovely lost."

Companions - your very own generation
- Paul "Ephesians"

- Isa 38:5 "I have heard of prayer, I have seen of tears
Out of the hearts, not the heart, but the inner, 1/2."
- Ps 126:5, 6

(3) For the church, for those who are saved

Word is word of the present ritual. [John 4:17, 18]
Word is message, Word is fire [John 23:27]

Word is message, Word is salvation
(a) They "I do not see the end, do they"
