Gen. 23 [the section Gen. 23:1-24:67; note 24:67]

TEAR-STAINED MACHPELAH

Gen. 22. when Abraham walks down the slopes of Moriah land is hard with Isaac, 50 years of life lay still before him. Of these 50 years, 25 passed before the event recorded in Gen. 23. A valley of untold years between.

I. Gen. 23: 2. Abraham's tears.

First time read of Abraham's tears.
Do not read except when left his Chaldees for Haran.
Kindred, Haran, crossed Euphrates,
lot carried captives, a Sodom
heavy hearted, up slopes of Moriah.

But more, fountains of grief broken up.

The difference? between doing God's will at suffering first.
So long as we do something for God; follow our work, battle;
for the Lord a sacrifice, bearing with fortitude. But
when all is over, when left with silent dead, when
that this is performed, last flowers arranged, last
hand given - the tear flows. What a tide of
removing... Sarah nearly 70-80 years
(a) Ole Davidson's wife - very little hand, hardly got died. Long
coughs, asthma, coughs by her the last time. Then sat
down, died. It could hard find for her, sweetest, ... but now, big
~~tear~~.

Religion does not come to us as unnatural, inhuman.

You might

say "wait not as until bitterly"

Ephesian converts wait on Paul's word, sorrowing most.

(a) Mr. Scott, little baby Margaret, when with died,
the Christian Sintists.

III. Abraham's faith JACOPELA

Why not take Sarah back to Haran?

Gen. 15:13 400 years of suffering affliction in another land revealed to Abraham.

It is clear the years of destruction, captivity, matt. 24. the destruction of Jerusalem was 70 years.

His seed ultimately possess the land. And ^{Gen. 12:7, 13:2, 14:15}

There Abraham buried Sarah Gen. 23:19 Gen. 23:19 Gen. 23:19

There Isaac or Ishmael buried Abraham Gen. 25:9

There Isaac or Ishmael buried Isaac Gen. 35:27-29 Gen. 35:27-29 Gen. 35:27-29

There Jacob buried Isaac Gen. 49:31 Gen. 49:31

There Jacob buried Jacob Gen. 49:29-50:14 Gen. 49:29-50:14

And thus Joseph buried Jacob Gen. 50:26-27 Gen. 50:26-27

What is the import of Israel to be carried back to Canaan?

Joseph to take & his bones to Canaan?

Bear him buried in the promised land & carries back?

To lead this people. Otherwise, buried in Egypt.

Today, jealously guarded by the Moslem sons of Ishmael.

They are still holding that land in fee against the day when Israel or Ishmael shall rise in national glory and the God whom is big over all.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.

What you can do for me? I am a sick man.
