KORAN

WIVES

'O prophet, Allah allows
thee thy wives, also the slaves
you possess as booty, and
any believing woman who
has given herself up to the
prophet, if the prophet desires
to wed her - a privilege
for thee above the rest of
the faithful."

KORAN

WAR

"Prescribed for you is war"

"Fight those who believe
not in Allah."

"Verily, Allah loves those
who fight in his cause."

"Fight strenuously against
unbelievers."

"In the persons Allah loves
are those who fight in his
cause."

THE TERRORISTS OF ISLAM

Islam = submission to Allah; the name of Muhammad apply to Islamism.
 from the same Arabic root, the participle = Muslim = those
 250 million - in Africa & Philipp - East India

Ismahammad was a simple man - recruited himself upon Cole
 he did not like, not shy ^(fear) but believed in
 a dominating, warning against into
 a dominance, warning against into
 1. prescribed war, violence toward non-Muslims

Sur Koran: "Prescribed for you is fighting"
 "Fight those who believe not in Allah..."
 "Verily, Allah loves those who fight in His cause"
 "Fight strenuously against unbelievers..."
 "The furthest Allah loves are those who fight in His cause"
 2. found a sacred, moral religion - known as Islam
 He set 4 as the limit? at a time. The Muslim is
 Muslim could have i.e. at a time. The Muslim is
 free to drink any wine at any time to many such some

He took and married the wife of his adopted son (the
 that see ~~him~~ his own). He judged the action by a
 special revelation given him from Allah.
 Besides, he ^{himself} had many wives legal to & allowed
 his followers. In the Koran a special dispensation
 granted him: "O Prophet, Allah allows thee thy
 wives, the slaves you possess or booty, and any
 believing woman who has given herself up to the
 Prophet, if the Prophet desire to wed her - a
 privilege for those above do not? the fault find."
 of Medina was a gift. Each married. "ya" 4 wives "the 4 wives" "the 4
 one, but no more than 4."

Muslims
 Sharia 1100 (early)
 a sacred place 1000
 Arabic script, Muslims use
 founded by Muhammad himself

MUAMMAR KHADAFI

Regarding 10 million Christian living
in Arab lands:

"The Christians have followed
a mistaken path and they must
change their ways to the extent
that they are really and truly
Muslims. They must convert
to Islam or be annihilated"

3, In the Koran, Allah is represented as a magnificent
 opulent, sovereign absolute - an Arab Sheikh glorified
 and magnified to cosmic proportions
 Salvation is not a faith, is expressed in the right
 word with Mohammed used to designate his
 religion: "Islam" "submission" For those who submit
 a sensual pleasure awaits with a harem for each
 man with "harem maidens" (Koran) to minister
 to his every wish and want.
 with this idea of heaven - also the sure way to get there: the way of the terrorist.

II Modern Islamic terrorism.

Every major culture feels its effects - a dramatic decrease
 in world travel.

1. Extremist, fundamentalist muslims, bloody, brutally
 anti-West, anti-Soviet, and, at its root, carnally
 anti-Mod.

> 1/2. Takij American hostages in Iran, fundamental doctrine
 of Ayatollah Khomeini

> 1/2. Earlier this year, a peace meeting between Iran
 and a group of Third world countries fell apart
 before it was started. The cause? Some of the world
 women refused to wear veils, all of which offended
 Khomeini. The blatantly papal state driven ministers,
 the speeches are delivered.
 > 1/2. Some airports machine gun slaughter
 > 1/2. Two things inculcated in the minds of muslims;
 the two things inculcated in the minds of the West
 are target from childhood: hatred of the West
 : hatred of Israel

Two responses to this teaching are seen present:

JIHAD "Holy war"

Terrorist activities, wars even in Arab lands, midday activities are viewed as 'jihad'. Muslims killed in such a Holy war go directly to heaven.

f. Man - Maqui war. Boys 12-17 are sent away to fight Maqui arms, often bound together in groups of 20 by ropes to prevent desertion. They march into mine-fields in the face of machine-gun fire to clear the way for Maqui tanks. Even even as they die they are on the way to Heaven.

g. Turkish Muslims against Christians & Jews. Muslims call for Jihad to kill, that is the reason of our London children.

DAHAMI

When a land is conquered, should you refuse (resist) converting to Islam, you would become 'Dahami', a non-person needs no rights. No Muslim can decide to take over wife, you children, your business, all in the name of Allah.

In a conquered land where Islamic rules, & a few can choose conversion, death is DAHAMI, the persecution granted by Islamic religious leaders.

Subya President KHADDAFI, regarding 10 million people presently living in Arab lands: "The Moslems have followed a mistaken path, they must change their ways, to the extent that they are really not truly MUSLIMS. They must convert to Islam."

To Terrorists this cause is a holy ^{SINAD} war. They are
on their way to heaven by killing infidels and
transferring them from Allah's rightful leadership.
Hatred is an integral part of SINAD; DHIMMI
justifies the murder as it is against a "non-Muslim"
hateful in the eyes of Allah.

The fanatical Islamic extremist is dedicated to
world conquest. One of their main goals
is to destroy Israel. They spread their
in world-wide dissemination and exploitation
of hatred against Israel. They seek a world
for Allah. A world ruled by the Koran.

For final cooperation pictured in Ezekiel 38, 39,
Isaiah 8, Daniel 11.

In us $\frac{1}{2}$, we need to remember by Eph. 6:13 ff.

Compare the ungodly Neohumanists and the lowly, loving religion.
