The Doctrine of total Depravity

Dr. George Danks. "If man is denied to sleep too long & hunger
nature, look out at you."

- Jesus - perfect in character, making his name by submerging within
- good deeds, obeying his father's will, perfect
- merciful words, ready to forgive his enemies, perfect
- body created by God in virgin womb, true, with no sin
- essence of righteousness, robbery, lying, & perjury
of which the whole world, from the first, follow, & sin.

3. oppression of America
(a) July, 1876, three years later, you come out, the first house,
then in full neighborhood, other nations, church, and social care
no wonder you are deluged."
