the fire of luxury, wealth, may be
at the hill & days slowly as you
forward eyes are.

3. Detect our values of life
come to stage our values, detect our a show, command us all
& negative values only. if not that, we find, death, etc
both news & power... if, happiness...
if you recall, then consider, remain...
not know, mean into flatly inside

More delicate us from the richness of life
as a show in my eye
