but a soldier there a blazing torch within, fire raged

Ex. 26:31-34 the veil "to divide" between the two.

1. Heb. 10:20 A type of the incarnation of our Lord.
Covered, hid away, his true glory.
Only in transfiguration shows through

2. The rending of the veil: a type of the death of Christ.
The veil of itself not bring us to God.

of the incarnation of X not save us. If to this day
continued through the curtain of moral decay, we
still in our sins. "By his stripes we are healed."

(2) The rending of the veil opened the way to God.
The rent veil would allow those who stand in the
temples to see into the sanctuary of all. That our privilege

NOTE: How carefully God follows these with his types.
Mt 27:51

"from top to bottom" God, have not man's.
I read one time, that veil 20" thick!

III. The new, constantly recurring type.

The center of heaven's worship: "the Lamb as it had been slain" Rev. 5: 6, 9, 12, 13. There fully understood so much that we know is part: "then 'face to face' what here we see through a glass darkly".

The remainder of that day: the Lamb's supper "till he come" I Cor 11: 23-26.

He values our thoughts, our remembrance. J. mal 3: 16, 17
