THE SCARLET THREAD (Types of Calvary)

The scarlet thread is the center of the rope of the Royal Navy.
The red line of the shoddy of wool than all the OT - & the N.

The disciples.
The fact of the death of Christ plain. Saw him suffer, die.
But the reason for that death Jesus had to explain.
Mk 28: 25-27, 44-46. Only seen in the prophecies.
Types of the OT scriptures. 12 disciples had understood
that he was the great Anti-type to which all
pointed, that faith when he died with no shadow. Only
through his death man could be redeemed.

Today.
The doctrine of atonement by substitution is often denied.
Popular moral influence theory: Jesus = great martyr, his
unselfish, died for a great cause. But nothing of
the necessity for his death if we to be washed from
our sins. Out of Roman Catholicism, out of every
out of superstition.

The OT scriptures filled with foreshadowings of the
work of Calvary. Constantly reminded of the shed blood
without which no remission. No one life laid
down instead of another - substitution. Not just
an example of self-sacrificing altruism, but actual
substitution.

The types which foreshadow the death of our Lord
may be divided into several groups:

5. The Levitical offerings.

Text Lev. 17:11

Burnt offerings

Lev. 1:11

Lev. 1:15

See Lev. 1:4:4:4:16:21

through the centuries, each time the offering repeated, they foreshadowed the death of X. But some of the same are touches of special beauty and meaning, as I Sam. 7:6, 8, 9

7:6 "drew water, poured it out" = Rom. 5:6
acknowledgment of their utter helplessness
owning their own feebleness, weakness

7:6b "we have sinned" = Rom. 5:9
while we were yet sinners. Confession

7:9 "a sucking lamb" = Rom. 5:8
linked themselves with the weakness of the ^{lamb} lamb
