Dan. 2: 45

THE UNFAILING WORD OF GOD

The story of chapter II
The long emphasis upon the fulfillment of the prop: 2: 3-12
Did he really fail, a false prophetess to test the antichrist - is
of. special in terms. Genuine? Three main things stand out. Why? (1) Securing trust, Dan 2: 11

calling into question the the whole vision of paganism. Why?
why prophesy?

I. To Deliver Us From misleading judgments.
Our limited vision is often (and I think, 5% of the time) limited (Dan 2: 11-12)
is often (one spot, a world)
is true (like looking at a wall with...)
is purpose (a confused destiny)
must be revealed to us, to survey the meaning of the world

1. Our false assurance of security can have tragic effect
2. Jerusalem - the false prophetess of 8: 11 "Babylon"
3. The great - militancy of the early 1900s. The prophet of the 1920s, 1930s
the unprepared for 1939 - World War II. Dan 9: 26 "now is
intermittent into the end." Rev. 19: 1-2

2. Our false persuasion concerning the source of sin.
The mind-set: poverty of all effort, no sin.
[to begin with, second step, 3rd step.]
The TV panel, alarm in view in view. Why? where?
The effort. The whole social fabric of America. Now
say, a depression was the right movement.
And says: Jer. 17: 9; Rom. 3: 23

3. One false attitude toward the Jews. ^{somehow} ^{discontent} ^{prejudice}

Mat. 12:3

Mat. 23:40

One of the reasons for the blessing of the Jews was ^{being} ^{their} ^{conversion}

Is. 12:6

II. To Anna and Galt The Last Word

1. He alone answers the source of the future
Seyler points this out.
Why he calls alone the people. All other religions are
men. Can not speak of the future: this books prediction
any year & time. But the Bible. How can it not
from the beginning. Speaks of it. Y. Dan 2: 23, 25, 26, 28, 29, 30, 31

2. He reveals in the destinies of man.
Dan. 1: 2 "your..."
5: 27 "...revelation..." who receives?
4: 25, 27, 35, 37

Name of the man in Daniel: "Adonai Eshkir" See one
caption. Dan 9: 17, 14, "fulfill" cannot name for his people.

Y. 2: 1: 10

III. To Give Assurance to Holy People
Concerning the Future.

1. The trophies that can befall God's people - DEATH
of their loved ones. The gifts of judgment, viz. of the eyes that
see that their very lives are in the hands of the living God.
What is that? viz? viz? viz? viz? viz? viz? viz? viz? viz? viz?
I suppose, the revolution, for our comfort, assurance.
2. God's promises to Abraham, Isaac, Jacob, David, & Kingless
generations. The 729 BC. the 317 BC. ^{the 709 BC.} Has this generation the
right? viz? viz? viz? viz? viz? viz? viz? viz? viz? viz?
God's promises? viz? viz? viz? viz? viz? viz? viz? viz? viz? viz?

2. A sign, earnest, pledge of that faithful man: the
prophecy fulfilled is a pledge of the future fulfillment of the
rest.

(1) Past fulfilled
viz. today since 2,000 years to Christ in God.
The sign of the vision
viz. the gift of Rome. Many attempts: the banner who would have
taken, Napoleon, Hitler, Communism, Russia, China.
The break-up into 10 toes: viz. viz: total destruction, destruction

(2) The rest will be
The stone of Dan. 2: 34-35
The son, man of Dan 2: 13-14

9. the prophecies of the 1st viz 2d - fulfilled in detail
viz. viz. viz. viz. viz. viz. viz. viz. viz. viz.
10. the 2d viz gospel in the 1st viz. Parted, viz.
viz. viz. viz. viz. viz. viz. viz. viz. viz. viz.

The West Writings for our common

(a) While preparing the survey, you were called out
from Chicago. Some there greeted his comment: A line -
partly common, of said. My reply, how aware? (p. 1: 13)
into our met X, the word, people. I told you the same

(b) How far is a foundation, of part 1: 20?
