II The Three Crosses

Prophecy and history meet on Calvary.
 Mt. 53:12 he was numbered with the transgressors . . .
 Each of the 4 gospels careful to point out, Jesus not crucified alone
 Range between immortality
 crucifixion a Roman institution, traders, crucifix
 devised for slaves, slaves. No Roman citizen by law
 especially regarding to the Jews. Gal 3:13 Deut 21:
 even Jewish women Jn 19:31 asked Pilate, bodies be put down

This no ordinary crucifixion
 The type three the centuries - the altar, the hands, the head, wisdom, suffering
 - the blood of the Passover, for the life is in the blood.
 (5) Day of atonement

Isa 53

Well might the sun in darkness hide
 and shut his golden gates
 when the night shadows
 the moon the creatures hid.

When you have seen the crucifix of God?
 neither in the trees!
 but in the trees

III A Day of Salvation

The theme of the world, the theme, the suffering

Believe me to serve
Love and life
Want me to clear

So manifestly illustrated in this murder case.

One they murder, murder, blasphemy...

But this one turned in repentance, faith... "Lord, remember..."

all he could do - then he died

1. Found salvation, forgiveness

(a) There is a future

The day's chief report

They say that the man is dead
shall never see the flower
will all the reward that I see
I shall see no more

Even more by faith I saw the stone
The blood was not empty
Reddy says he was of stone
and shall be still I die

There is a noble, noble day
all my life I shall see
when the flower is gone
but what is the flower.

merciful message, Jesus

Reddy says to all men, more so with God can be saved

and say night
