I look around in the place that I live;
I see people with so much to give,
yet there are people who are dying to know
just that somebody cares.

I see people just longing to know
what they can live for and where
they will go;

We have the love and the power
to share,
but do we really care?

People grope in darkness, searching
for a way

Don't you know of some one who
can help today.

God, lay some soul upon my heart
and love that soul through me
and may I bravely do my part
to win that soul for thee.

To win that soul for thee alone
will be my constant prayer
that when I've reached the
great white throne
I'll meet that dear one there.

Some soul for one
Some soul for thee
This is my earnest plea
Wish me each day
On life's highway
To win some soul for thee.

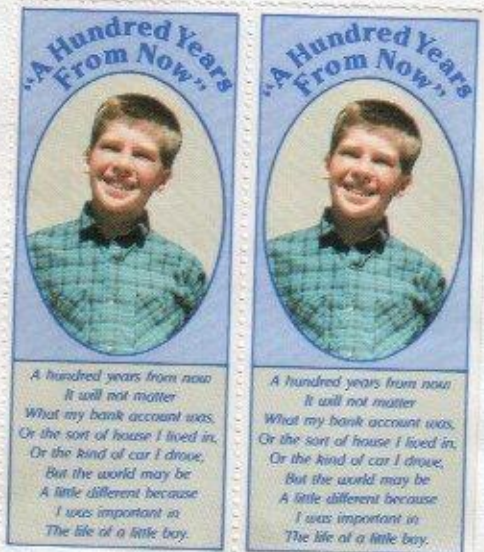

II This is all we shall have
