# Tips and Tricks for Traveling on a Budget

- Grocery shop upon arriving and plan meals ahead so you have food on you during the workshop and training
- Travel Basic Economy and travel light! There are tons of websites and blogs to help you with creating outfits for a weekend trip
- Share rides to and from destinations (airport, workshop spaces, food venues if eating out, etc.)
- Look for lodging within walking distance or that provide a complimentary breakfast
- Stay with friends or local warrior goddesses. Check in the WG Tribe FB group for a roommate or someone to stay with.
