WLF MOURNS THE LOSS OF BARBARA OLSON

Washington Legal Foundation (WLF) today mourns the tragic death of our friend Barbara K. Olson. Barbara served for over a decade as a member of WLF's Legal Policy Advisory Board, and was an enthusiastic ally of the Foundation and its work.

We lost a tremendous friend and a talented, committed professional yesterday. All of us at WLF extend our deepest sympathies to Barbara's family and her husband, Solicitor General of the United States Ted Olson.
