Terms of Contract

1. This is for a DIY pickup and return play pack.. It includes a toddler bouncing castle.
2. The Personal play pack is for a 3-5day weekly hire for pickup and return – with NO contact practises in place if required by govt health mandates.
3. The equipment will be used in a designated inside, outdoor, or undercover area of your home. Equipment is not to be removed and used at any other location, other than the location to which it is provided – unless mutually agreed otherwise. We do permit equipment to be used in a park environment, but ask you please indicate if intended to be used in a public space. If used in a public space you assume all liability and responsibility for its appropriate use.
4. The Happy Hop Bounce house is intended for toddler to young children's use only. It is not a heavy duty commercial jumping castle that would accommodate a large number of larger children at one time. The intended age range of our equipment is 0-5years. Please supervise during use of all equipment.
5. On collection - we ask that you backup into our driveway and we will load item(s) into your vehicle for you. On return - we will do the same in reverse – please backup into our driveway and we will unload the item(s) for you.
6. It usually takes just 5mins to load you up. Please allow an additional 5mins when you return the equipment – as we will inflate the bouncing castle in your presence to ensure there is no damage – and all is good.
7. Item(s) will be disinfectant wiped down prior to being loaded for you. Please ensure children wash hands both before and after their play as an added health precaution for your safe use.
8. We will only operate within accepted standards of Health & Safety and our staff on site, reserve the right to refuse any services that contravene those standards or the terms of our insurance.
9. **You agree that should the item(s) not be returned as required under this agreement at the end of the 5 day hire – then you will be responsible to pay a \$1000 replacement charge for the item(s).** We will take a copy of your drivers license and car registration on pickup. Payment of deposit and final hire payment constitute acceptance of these hire terms. Should it be necessary to engage recovery actions you will be responsible for any such additional costs incurred. **Non-return will be reported to police as stolen goods.**
10. **PAYMENT**
Payment is required by bank transfer before a booking is confirmed. The \$50 deposit secures your booking and you can then pay the balance anytime you like up to the week of your event. Your booking is not confirmed until deposit is paid.
