DONE

The graphic features the text "get this shit DONE" in a mix of white and pink fonts. "get", "this", and "shit" are in a white cursive script, while "DONE" is in a bold, pink, sans-serif font. The text is surrounded by numerous pink, teardrop-shaped radiating lines of varying lengths, creating a starburst effect. A single white horizontal line is positioned below the word "DONE", and a longer pink horizontal line is positioned below that.
