

She is why I give. Ask me why.

THE CHALLENGE—

Over half of the world's children experience some form of violence every year, including sexual assault, gang violence, domestic abuse, child marriage, and trafficking.

THE OPPORTUNITY—

This is what protecting kids through specialized abuse prevention and restorative programs for physical and emotional health looks like—

- » Education for families and communities in topics like healthy family living and preventing sexual abuse
- » Empowering children to protect themselves and one another
- » Counseling and recovery assistance for those harmed through sexual abuse, child labor, forced participation in armed conflict, and other atrocities
- » Access to healthcare, education, support, and life skills training
- » Community partnership to effectively and sustainably addresses harmful cultural norms that enable exploitation, abuse, and violence
