

About World Vision

World Vision is a Christian humanitarian organization dedicated to working with children, families and their communities worldwide to reach their full potential by tackling the causes of extreme poverty and injustice. World Vision serves all people regardless of religion, race, ethnicity or gender.

As a global leader in fighting poverty, World Vision has been helping children worldwide for almost 70 years. In 2018, 86% of World Vision's total operating expenses were used for programs that benefit children, families and communities in need.
