Dear Friend of World Vision,

As I look back on 2019, I am overwhelmed with gratitude for God’s blessing on World Vision’s work. With the support of our donors, partners, and staff, we have seen miraculous impact for kids and families in need around the world.

Thank you for your partnership this past year. In this 2019 Annual Review, we celebrate the change for themselves. As I look back on 2019, I’m overwhelmed with gratitude for God’s blessing on World Vision’s work. With the support of our donors, partners, and staff, we have seen miraculous impact for kids and families in need around the world.

Together with our donors, we are:

- Assisted 4 million children and adults in the United States through disaster response and access to basic necessities such as clothing, school supplies, and building supplies
- Empowered children to protect themselves from abuse and violence, mobilized parents, caregivers, and faith leaders to nurture children, and influenced policy changes to prevent harm to kids
- Worked to improve education for children in nearly 50 countries by engaging their teachers, families, and communities, helping them obtain literacy, numeracy, and life skills for brighter futures
- Created jobs and kept overhead low. These multiple funding streams power 6 of the largest implementing partners in the world

Our vision for every child, life in all its fullness. Our prayer for every heart, the will to make it so.
