Interested in Hosting?

This course is held inside the church and focuses on behavior based responses for Armed Protectors, including decision making in and around crowds during an active threat. Training guns and holsters will be provided and utilized during the training (no live weapons).

This course includes drills for a variety of firearm carry positions and movements to keep your sanctuary safe. You will learn how to apply these principles in different environments and in the right contexts. This training is conducted with up to 35 participants and will conclude with a scenario involving the host church team and other class participants.
