HISTORY

Through the years

The Legacy Continues

For over eighty years, Zippo has been manufacturing the most durable and trustworthy lighter in the world. With such a legacy, milestones are common.

In 2012 Zippo celebrated a significant one, the 500 millionth lighter. Beginning with the first lighter in 1933, every Zippo lighter has been backed by our famous guarantee, "it works or we fix it free." Zippo lighters are uniquely positioned as valuable and timeless classics that should never be thrown away.

Whether used in everyday life, taken on uncommon adventures as a reliable companion, or simply collected for its charm and character, the Zippo lighter continues to be respected and treasured around the world
