# New Armor Chameleon

New Armor® Chameleon utilizes deep carve engraving to fashion a luminous, reptilian pattern on the front surface of the lighter. This iridescent finish gets an added accent with the Zippo logo laser engraved on top of the deep carve impressions. This model makes its entrance as the first lighter to feature this dual process.

Unless otherwise stated, every Zippo windproof lighter in this catalog is packaged in the environmentally friendly "one box", designed to address the growing concern over the depletion of our natural resources. Both the attractive gift box and the cardboard insert are made from renewable materials and are 100% recyclable. The patented "one box" is attractive, easy to handle, and designed to display more of the lighter than ever.
