Reverse Side

Buy one. Plant one.

Zippo has partnered with Woodchuck USA™ to create wooden laser-cut emblem designs that will help restore and protect the forests of the world. With each lighter purchased, Woodchuck USA guarantees to plant one tree. Consumers can use the special code in each box to learn where their trees are planted. The launch of Woodchuck USA Zippo lighters will be heavily supported by both brands with an integrated marketing campaign and extensive consumer outreach.

Zippo has partnered with WOODCHUCK USA™ to design a range of lighters with a purpose. Through the Buy One, Plant One™ initiative, for each lighter purchased, a tree is planted. Each one comes with a unique code that you can use to learn about your tree, its location, and the direct impact you're having on the planet.
