Frank Frazetta

Known as the “Godfather of Fantasy Art,” artist Frank Frazetta was a pioneer of the fantasy genre and widely acclaimed for his dreamlike comic book art, illustrations, posters and album covers. Though largely self-taught, he studied at the Brooklyn Academy of Fine Arts at the tender age of eight. He was adored by fans around the world, including famous Hollywood celebrities such as Clint Eastwood, George Lucas and Sylvester Stallone, to name a few. His illustrations graced the covers of books and magazines throughout his career and continue to inspire countless graphic and tattoo artists around the world.

Zippo is thrilled to introduce three iconic examples of Frazetta’s fantastical vision in our Autumn/Winter collection: *Autumn People*, *Mothman* and *The Fairy*. Each stunning Color Image replication appears on a complementary base model to best enhance these mystical masterpieces.
