2022 Corporate Gift Catalog

Welcome to ZIPPO Design

They'll think of you first – your business and your integrity – when they have your logo on a Zippo product. Whether you give the “It Works or We Fix It, Free™” Windproof Lighter, or the HeatBank Rechargeable Hand Warmer’s combined convenience of warmth and power, you will be remembered for quality, because that’s what a Zippo gift says about you.

Corporate gifts from Zippo are easy to order and stand out from all the rest. Contact the Zippo Corporate Gifts Division.

We offer:

- Low minimum order quantities
- Wide range of product colors and base models
- Full color, single color, and engraved options for most products
- Digital proofs available within 2-5 days
- Final designs usually ship within 2 weeks

Candle & Utility Lighters

Rechargeable Candle Lighters

Zippo has combined the functional elegance of our flex neck candle lighter with the latest, most convenient technology in the new rechargeable candle lighters. Instead of a butane flame, the new candle lighter unleashes a small but powerful plasma arc to quickly ignite even the lowest burnt candle. After 40+ (approximate) ignitions, the new candle lighter can be easily recharged with the included USB cord.

Imprint Methods

Color Image

Color Image

State-of-the-art printing method allows Zippo to imprint multiple spot colors. Spot colors can be matched to PMS colors and used for one or two color simple logos.

- Zippo will accept vector artwork files (Adobe Illustrator) in these formats: .ai, .eps, .pdf (provided entire contents of file are vector).
- Zippo will accept raster artwork files (Adobe Photoshop) no less than 1.5" wide by 2.25" high with a resolution of 600 DPI (dots per inch).

Acceptable formats include .psd, .tif, .eps, .jpg (provided the resolution is high enough.) Any file requiring background isolation must have paths or a layered file with transparent background included.

Laser Engrave

Laser Engraving (LA)

Laser engraving is one of the most popular customization methods offered by Zippo. The state-of-the-art process allows tremendous flexibility in reproducing your artwork on our products. Our laser engravers are computer-programmed to generate a crisp, accurate replication of your artwork. Laser Engraving is now available on most Zippo products. Show us your artwork and we will tell you if Laser Engraving will work for you.
