BUY ONE. PLANT ONE.®

Zippo has partnered with WOODCHUCK USA to create wooden laser-cut emblem designs that will help restore and protect the forests of the world. Through the Buy One. Plant One.® initiative, for each lighter purchased, a tree is planted. Each one comes with a unique code that you can use to learn about your tree, its location, and the direct impact you're having on the planet.

CUSTOMIZATION

Please contact your Zippo Sales Representative for pricing, lead times, and ordering details.

Customer must sign an agreement stating they own or have rights to all custom artwork, and will indemnify Zippo for any infringement claim.

All Zippo pocket lighters are shipped without lighter fuel. Be sure to stock Zippo lighter fuel for your customers. For optimum performance of every Zippo® Windproof Lighter, we recommend genuine Zippo® premium lighter fuel.
