

Celebrate America's 250th anniversary with this special-edition assortment. In addition to three officially licensed America250™ models, we're introducing a first-ever combination of our Red Matte and White Matte finishes paired with a gleaming blue lighter insert. This limited-edition colorway is available both as an exclusive classic model as well as a Collectible, which features laser engraving on both the case and insert and consecutive numbering to only 1,776 pieces in honor of the historic occasion. Both options feature a commemorative USA 250 bottom stamp.
