2026 Collectible of the Year

Zippo's 2026 Collectible of the Year is a celebration of Generations: from the four generations of Blaisdell family leadership to multiple generations of Zippo employees, customers and collectors, Zippo is honoured to share its legacy with so many families around the world.

Four concentric circles, representing the four generations of Blaisdell family leadership, center on a black epoxy-filled Zippo flame icon on the Armor® High Polish Black case. From there, the MultiCut design radiates around each side in an endless ripple effect, symbolising the multiple generations of Zippo employees, fans and collectors to whom Zippo owes its success.

Each keepsake features a black-coated steel insert and is consecutively numbered, authenticated with a Luxury bottom stamp and comes packaged with a commemorative booklet that features names and stories from multi-generational employees, customers and collectors around the world.

2026 Harley-Davidson® Limited Edition Lighter of the Year

Head full-throttle into the season with the 2026 Harley-Davidson Limited Edition Lighter of the Year. Set on a classic Tumbled Brass model, the iconic swooping eagle clutches a Harley-Davidson® Motorcycles badge in a fierce 540 Fusion design. The patriotic artwork seamlessly extends around to the reverse side, where “2026 Limited Edition” is luxuriously etched with our Lustre process. Finally, the Harley-Davidson wordmark is revealed in rich brass tones along the non-hinge side. This piece is only available to order in 2026, so be sure to make this keepsake the centerpiece of your display – and your customers’ collections.

An exclusive bottom stamp authenticates these chrome and solid brass lighters as heavy-walled Armor®, about 1.5 times as thick as a standard Zippo case.

1935 Replica

The 1935 Replica mimics the shape and features of the earliest-available Zippo lighters, including a shorter height, squared edges and exterior hinge, plus a uniquely designed insert.

Distinctive features:

- Three-barrel exterior hinge vs. modern five-barrel interior hinge
- Open hollow rivet secures flint wheel to insert
- Flat bottom and top surfaces with unique bottom stamp
