Signature Custom Imprint Methods

Auto Engrave

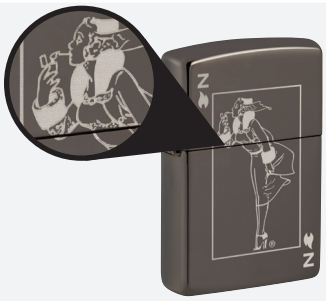

#46725

One of our most popular customization methods, the Auto Engrave process employs diamond-cut engraving to achieve the intricate, dimensional look of jewelry. Also available on select precious-metal models.

- Standard imprint charges apply
- Base model restrictions apply
- Art constraints apply
- May require additional lead time
- Minimum quantity required

Laser Engrave

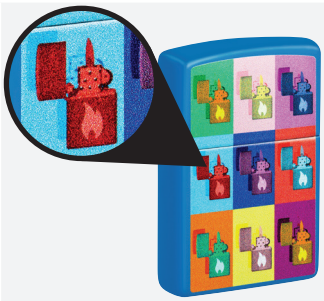

#49797

Computer-programmed laser engravers expertly reproduce your custom artwork onto a variety of base models. The crisp and precise design is revealed in metallic tones beneath the lighter's finish to provide luxurious contrast.

- Standard imprint charges apply
- Multiple surfaces available
- Minimum quantity required

Color Image

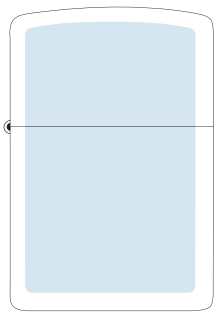

#48722

Zippo's signature printing method is capable of anything from one-color logos to full-color photographic representations. Multiple spot colors can be matched to PMS colors for simple logos.

- Standard imprint charges apply
- Not available on precious metal finishes
- Minimum quantity required
- Art constraints apply

Premium Custom Imprint Methods

All models below require special handling due to the unique processes and methods on each piece. Several model styles below require minimum quantities, tooling charges and special lead times, as well as specific art files. Contact your Zippo Sales Representative for more information.

Lustre

Restricted to plated finishes, the Lustre process recreates a design with intricate etching, which is then plated to add both depth and durability.

- 100pc MOQ for Antique finishes only

#352

Double Lustre

A design is double-etched onto a lighter and then plated for a layered, multi-dimensional effect. The lighter's high-polish finish is incorporated into the design's negative space for added depth.

- Base model restrictions apply
- Art constraints apply

#24751

Fusion

A combination of specific pre-determined color palettes and chrome breaks creates an iridescent, metallic look.

- Base model restrictions apply
- Art constraints apply

#46006

Auto Two-Tone

Contrast is achieved when Zippo engraves in two different depths. Vibrant chrome and brass engraving allows for a "gold and silver" effect.

- Base model restrictions apply
- Art constraints apply

#48725

Laser Two-Tone

Zippo's lasers can be programmed utilizing two different depths, creating a unique contrast with silver and gold tones.

- Base model restrictions apply
- Art constraints apply

#48968

Photo Image

Photographs are digitally replicated into high-resolution images, which are then laser-engraved with pin-sharp accuracy.

- Standard imprint charges apply
- Base model restrictions apply
- Art constraints apply

#48914

Stamping

Image is debossed into the case, creating a 3D design.

- Art constraints apply
- Tooling charges may be required
- MOQ: 500pc

#28994

Emblem

Image is die-struck onto various metal substrates such as brass, aluminum and pewter.

- Art constraints apply
- May require additional lead time
- Tooling charges may be required
- MOQ: 500pc

#48921

Laser 360°

Precision lasers engrave 360° seamlessly around any High Polish lighter case.

- Base model restrictions apply
- Art constraints apply
- Design Center visits only

#49811

Black Light

Specially formulated ink takes on a bluish glow when exposed to UV black light.

- Base model restrictions apply
- Design Center visits only

#48737

Luxury Custom Imprint Methods

All luxury custom orders need to be routed through the Zippo Design Center.

540 Color

Our proprietary design application seamlessly surrounds the entire lighter (excluding the hinge and bottom stamp) with vibrant, full-color graphics.

- Art constraints apply
- Design Center visits only

#46008

Texture Print

Multiple layers of ink are applied to create textured icons or patterns that rise from the lighter's surface.

- Base model restrictions apply
- Art constraints apply
- May require additional lead time
- Design Center visits only

ZIPPO GUARANTEE

Any Zippo pocket lighter, when returned to our factory, will be put in first-class mechanical condition free of charge, for we have yet to charge a cent for the repair of a Zippo pocket lighter, regardless of age or condition. The finish, however, is not guaranteed. This guarantee gives you specific legal rights and you may also have other rights which vary from state to state. Other Zippo products carry their own specific warranties

Terms and pricing are limited to authorized Zippo Sales distributors and wholesalers only. Unless specified as retail pricing, this information is not intended for consumer use. Because we are constantly improving our products, some items may not look exactly as depicted. The availability of items and the prices listed in these catalogs are subject to change with or without notice at Zippo's sole discretion. Final prices will be the price based on Zippo's published price list in effect at the time of shipment and will be reflected on the Zippo commercial invoice at the time of shipment.
